PROFILE

I am currently in my final year at the Institute of Technology Tallaght studying for a (Hons) Bachelor degree of Computer Science. I believe I am a strong software programmer and a keen learner for new coding languages. I have experience working with Java, C++, C#, Python, HTML, CSS, SQL and MongoDB. I enjoy meeting new people and exploring new fields of technology to expand my knowledge of the ever growing industry.

EMPLOYMENT HISTORY

Jan 2018 – Jul 2018

Executive Officer of ICT, Department of Employment Affairs and Social Protection

Dublin

During the second semester of third year I received an internship at the Department of Employment Affairs and Social Protection. During my time here I learned a lot of hands on experience and also had the ability to use my theory knowledge from my course modules.

Skills developed:

- C# Development
- ASP.Net
- Microsoft Test Manager
- Test creation & execution
- Daily stand ups
- Ticket creation & development
- Communication
- Git version control
- Team Foundation Server
- Analytical Problem Solving
- In house BOMi system
- Agile methodology

Nov 2013 – Sep 2018

Customer Sales Representative, X-Music

Dublin

I received this job through my hard work and efforts that I displayed during my transition year period of secondary school. My time here was very important to me as I developed many social and communication skills by dealing with varied requests that customers would ask for. It was my job to find the best instrument suited to the customers needs.

Goals fulfilled:

- Reaching monthly goals
 - Setting up web pages for newly arrived products
 - Customer care & service
 - Reconciling cash at end of day
-

EDUCATION

Sep 2015 – Oct 2019

Institute Technology Tallaght, Hons Bachelor of Computer Science
